

## **Our Theme For 2007**

“The Word, the World, the Work”

## **Our Purpose As A Church**

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." (Matthew 28:19-20) NIV

## **Our Mission As A Church**

**Get into The Word.** To answer the call of God's business, we must imbue ourselves in the meanings and messages of God's Word. God's Word is important to us as Christians for it teaches, rebukes, corrects and shows us how to live a life worthy of God.

**Go into The World.** Being about God's business doesn't mean we do nothing but sit in the church all day long and discuss theology. We are his witnesses, and He uses us to share His Good News with the helpless, hopeless, hurting and lost for whom he went to the cross.

**Do the Work.** The Greek term *Ekklesia*, literally means a congregation working together to resolve problems faced by the wider community and society, by making disciples for Jesus Christ through, evangelism, sound teaching, and preaching.

## **Our Vision As A Church**

Our vision is to live as a community of believers, rooted in the Word of God and prayer, whose love for Christ and for one another overflows in joyful sharing of the gospel with all, especially with our friends and neighbors, whom God has given us a unique opportunity to reach. We are committed to following Jesus Christ, and believe that a right relationship with God is possible only through him.
